## INCLUSION STARTS HERE

We support a Unified YMCA camp environment that is welcoming to all campers with or without disabilities. All camp staff and Inclusion Specialists are trained in YMCA Universal Inclusion Strategies that address Zones of Regulation, Target Green Zone Behaviors, Redirection to Task, Sensory Replacement, Coping Tools, Self-Regulation and Maladaptive Protocol. It is our goal to provide campers with the modification necessary to improve and encourage communication skills, social and emotional development, cooperative interactions, physical well-being, and friendships.

We understand that a camper with a disability does not have to achieve an identical result or level of achievement as a person without disability. Our camp eligibility criteria include a reasonable expectation that all campers can function independently within our standard camp ratios (6 years and under 1:5, 7 years and above 1:10). If a camper is unable to function independently within our ratios, we welcome the added support of outside organizations, Job Coaches, Program/ Residential Aids, 1:1 Direct Support Therapists, Applied Behavior Analysis, Peer Mentors, Special Education Teachers, Paraprofessionals, Personal Care Attendants, and Respite Care Providers. All outside organizations must be registered with the Inclusion Director and CORI/SORI are required.

The YMCA does not provide 1:1 aide for campers. If it is determined that a camper requires more supports than the established ratios our Inclusion Staff will work with the families to explore support options. Contact [campquirk@ssymca.org](mailto:campquirk@ssymca.org) or 857-403-4744 for more information.
