SWIM LESSONS

STRONG SWIMMERS CONFIDENT KIDS

THE Y IS AMERICA'S SWIM INSTRUCTOR

The Y is "America's Swim Instructor" and the South Shore YMCA offers the area's leading swim instruction for any individual, any ability, and any age – from infant to adult.

With water safety as our number one priority, our trusted program sets swimmers on a path for a lifetime love of swimming and safety around water, offering tracks for recreational swimming, competitive swimming, and aquatics leadership through Lifeguard and Swim Instructor training.

STAGE DESCRIPTIONS

SWIM STARTERS

Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

A / WATER DISCOVERY
Parents accompany children in stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water

B / WATER EXPLORATION
In stage B, parents work with their children to explore body positions, floating, blowing bubbles, and fundamental safety and aquatic skills.

C / WATER ACCLIMATION (PARENT/CHILD)
Accompanied by parents, students develop comfort with underwater exploration and learn to safely exit in the event of falling into water. Stage C lays a foundation that allows for a student's future progress.

SWIM BASICS

Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills:

- Swim, float, swim—sequencing front glide, roll, back float, roll, front glide, and exit
- Jump, push, turn, grab

1 / WATER ACCLIMATION
Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.

2 / WATER MOVEMENT
In stage 2, students focus on body position and control, directional change, and forward movement in the water while also continuing to practice how to safely exit in the event of falling into a body of water.

3 / WATER STAMINA
In stage 3, students learn how to swim to safety from a longer distance than in previous stages in the event of falling into a body of water. This stage also introduces rhythmic breathing and integrated arm and leg action.

SWIM STROKES

Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well-being, and foster a lifetime of physical activity.

4 / STROKE INTRODUCTION
Students in stage 4 develop stroke technique in front crawl and back crawl and learn the breaststroke kick and butterfly kick. Water safety is reinforced through treading water and elementary backstroke.

5 / STROKE DEVELOPMENT
Students in stage 5 work on stroke technique and learn all major competitive strokes. The emphasis on water safety continues through treading water and sidestroke.

6 / STROKE MECHANICS
In stage 6, students refine stroke technique on all major competitive strokes, learn about competitive swimming, and discover how to incorporate swimming into a healthy lifestyle.

MEMBER RATES

FOR THE WINTER 2024 PROGRAM SESSION, PARENT/CHILD SWIM LESSONS ARE FREE FOR HOUSEHOLD MEMBERS.

South Shore YMCA members enjoy a 50% discount on swim programs and substantial savings on all other Y programs. Membership must be current throughout the entire program session/season to receive member rates. If you cancel your membership during your program session, you will be charged the balance of the regular non-member rate for the full program session. To enjoy membership rates for your children, each child must be part of your active Family/Household or Adult + 1 South Shore YMCA membership. Prices in this guide are subject to change. Visit ssymca.org/register for current offerings and prices.

WAITLIST

If a program is full, you may request to be placed on the waitlist. You will make no payments until accepted into the program. The program director will inform you of your acceptance into the program, so be sure we have your correct contact info.

CANCELLED PROGRAMS/CLASSES

The YMCA may cancel a class due to unforeseen events, i.e. safety concerns, weather, building closures, etc. The YMCA will make every effort to make up the cancelled class, in the event a class cannot be made up there will be no refund. After the first week of programming, classes without sufficient enrollment numbers may be cancelled.

LATE REGISTRATION & PRORATING

If a participant wants to register for a session that has already begun, and more than two classes have run, the program director must approve the registration. A \$10 flat prorate allowance will be applied to the registration fee after the 2nd week of classes.

CREDITS & REFUNDS

If notification of withdrawal is received within 48 hours or more prior to the first session date, a YMCA credit or a full refund will be issued for the full amount of the program minus a \$15 processing fee. If notification of withdrawal is received less than 48 hours before the first session date, a YMCA credit minus \$15 will be received. If notification of withdrawal is received up to the third session date, a YMCA credit will be issued minus the \$15 fee and the cost of sessions already held. After the third session date, there will be no refunds or credits given. Only the Program Director of the department can issue credits/refunds.

Make up classes are not available for classes missed by the participant due to personal conflict. System credit cannot be applied towards membership dues, only future program registration.

CHILD SUPERVISION

Children under the age of 10 must be accompanied by an adult while in the facility.

INCLEMENT WEATHER

In the event of inclement weather, facility closings and/or program cancellations will be communicated on ssymca.org, by email, social media, and notifications on our mobile app. You may also call your program location for updates.

COVID-19 SAFETY GUIDELINES

The South Shore YMCA follows all state and local board of health guidelines when it comes to COVID-19. Please visit ssymca.org/covid for the latest guidelines and protocols.
