Activity Descriptions

Challenge Time- Challenge Time is a quick activity where participants work quickly to complete a fun task using simple materials. For example, they might build cup towers or try to throw balls into a bucket, testing focus, and problem-solving skills.

Lego Time- Lego Time is a relaxed, drop-in activity held in the hallway where kids can stop by at their own pace. Kids are welcome to build freely with Legos, work alongside friends, or challenge each other to friendly building races. The goal is to provide a fun, low-pressure space for creativity, social interaction, and hands-on play while allowing children to come and go as they like.

Craft Time- Craft time in the hallway is a casual, drop-in activity where kids stop by a designated hallway space to build a simple craft while staff demonstrate and guide the steps

Board Game Fun- is a drop-in activity where kids can play games like Uno, Candy Land, and more with friends!
